Step into a world of gracious travel. Delight in private accommodations with sofas or armchairs, private lavatories, and attendants to serve you.

For the solo traveler, our Amtrak roomette doubles as a day sitting room and night sleeping room with a sofa seat, drop-down sink, toilet, mirror, closet, and drop-down bed. Our bedrooms also double as dayrooms and are complete with sofas or armchairs, two drop-down beds, and a lavatory. Bedrooms can accommodate two persons, or may be opened en suite to accommodate four. And for your comfort, each sleeping accommodation has individual temperature control.

From your sleeping accommodations, request a wake-up call and be greeted in the morning with a complimentary morning paper and your choice of orange juice, coffee, or tea.

Relax before dinner with a complimentary wine and cheese basket.

Enjoy a nightcap before retiring with complimentary bedtime sweets.

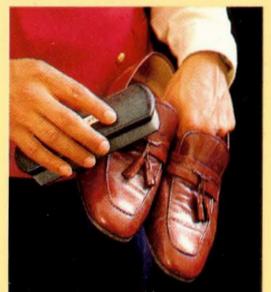

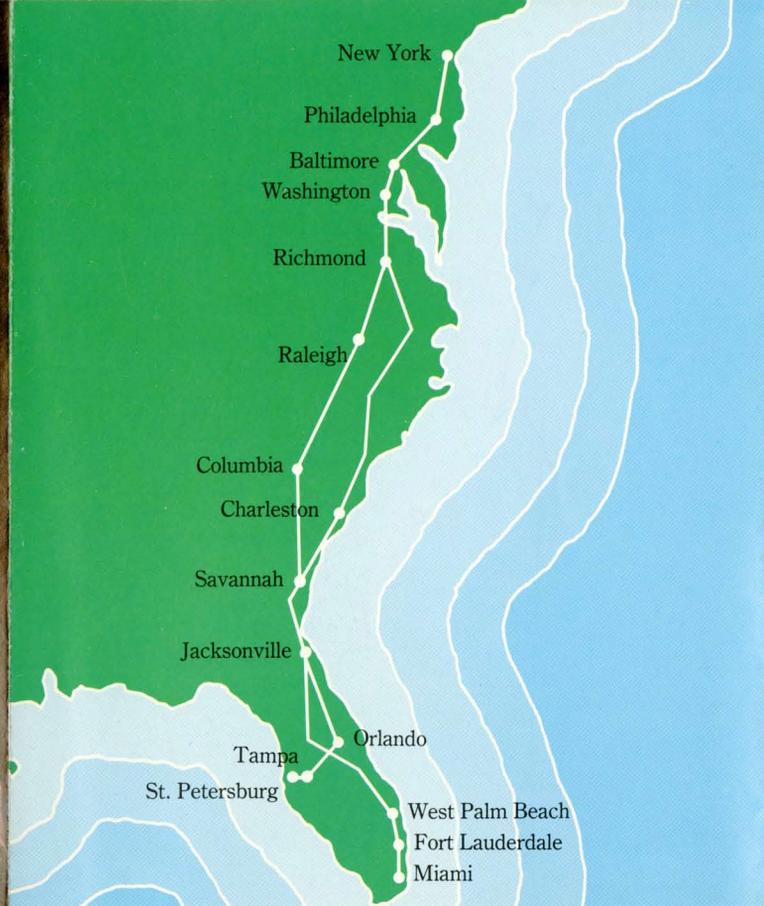

During your journey, your attendant is on hand to serve you at every moment — to help with your luggage, to take drink orders, to make reservations for your complimentary meals in the dining car, and to make you more comfortable with extra pillows.

Amtrak offers you a wide variety of delicious meals. For example, enjoy a hot, hearty breakfast of scrambled eggs and hash browned potatoes, or a mouthwatering plateful of buttermilk pancakes. For lunch, try our "Land and Sea" platter or Blue Ribbon Chicken Sandwich. For dinner, indulge in our succulent prime rib of beef or spicy barbecued chicken, as well as many other selections.

Enjoy a ground-level view of the Eastern seaboard from the comfort of your private sitting room. For a change of atmosphere, make new friends over drinks in our lounge car.
