## Amtrak Introduces New Service Between Portland and Eugene

### Amtrak Introduces New Service Between Portland and Eugene

Two New Daily Departures In Both Directions

A Convenient Connection With the Pioneer  
Save 25% on Round-Trip Travel

Amtrak and the State of Oregon are proud to announce the introduction of the Willamette Valley . . . new daily service between Portland and Eugene

This new service, in addition to the existing Coast Starlight (Seattle-Portland-Los Angeles), makes travel in Oregon more convenient than ever before. And, not only can passengers have more flexibility in choosing the schedule right for them, the northbound morning train from Eugene connects with the Pioneer at Portland for points east (The Dalles, Pendleton—Boise—Salt Lake City). And on The Pioneer's return, passengers can connect at Portland with a southbound afternoon train for Eugene and points in between.

With this great new service and comfortable trains . . . you have every reason to get into training the Amtrak way!
