

*The Prairie  
 Provinces - Fort Garry. This historic  
 name is now associated with the Canadian  
 National Railways Passenger Terminal and  
 the Fort Garry Hotel at Winnipeg, which stands  
 on the site of the fortress not long ago an outpost  
 of civilization. The Fort Garry Hotel as  
 the leading business meeting place  
 and social rendezvous is the  
 Mecca of the West*

The  
National  
Way

*At Your Service  
Everyday*

*THE service of the "National Way" is designed to please its patrons. The equipment being purchased is the most modern obtainable. Our new steel cars embody the latest features of construction, strength, convenience, and comfort. The vast army of chefs, waiters, and attendants has been selected with care and it is the desire of all these employees to serve you satisfactorily. With over 100 dining cars and 250 sleeping cars operating over 17,000 miles of territory, the difficulties of maintaining a service such as is given by the Canadian National Railways on these hundreds of moving units are hard for the travelling public to appreciate. We will be glad if you will help us to maintain our standard by reporting to the officer in charge of any car you travel in, any service not satisfactorily rendered.*

*Criticisms of features of our service sent to the undersigned will be appreciated.*

*Walter Pratt  
Manager of Sleeping & Dining  
Car & Hotel Department  
Toronto*

The  
National  
Way

To-day

*The peaceful conquest of the soil has converted the hunting ground of the Indian into the "Bread basket of the World." The Canadian National Railways operate over fifty-one percent of the Railway mileage in the Provinces of Manitoba, Saskatchewan and Alberta. The Dining Car Service is "Standard" on the National Way.*
