

DINING CAR • MENU • FOR LITTLE FOLKS

**CANADIAN
NATIONAL
RAILWAYS**

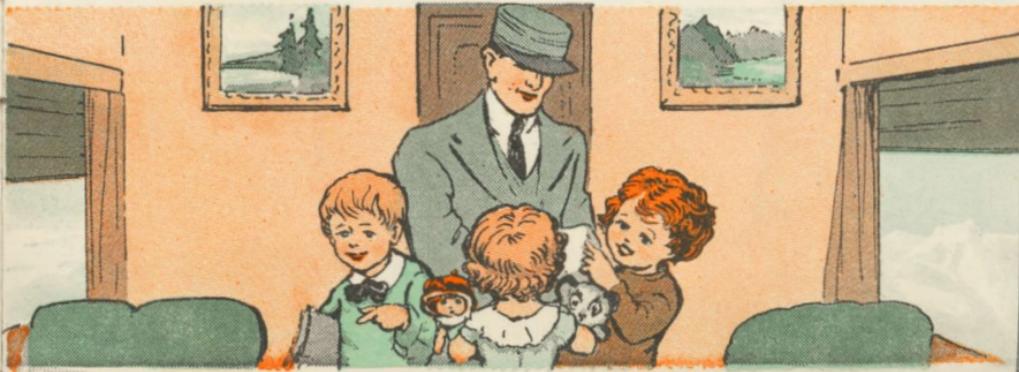

WHEN I grow up I'd like to be
A red cap on the C.N.R.
No bags would be too big for me
To carry to the sleeping car.

I WANT to be the *engineer*
And drive the locomotive vast,
I'd ring the bell and wave good-bye
And make the countryside fly past.

I'D LIKE the jolly *conductor's* job.
What fun to walk the aisle all day!
In braided cap and uniform
"All tickets ready, please!" I'd say.

The price of Meals containing Meat,
Egg or Fish dishes increased 5c.

Beverages served with Meals 5c. extra.

I'D MUCH prefer the dining car,
And be the *steward* so polite,
I'd find you seats and murmur low
"The chicken's specially good tonight!"

I THINK a *waiter* I would choose,
And carry high a loaded tray,
I'd serve the girls and boys so well
They'd want a dozen meals a day.

I'D CHOOSE to be the *porter* tall,
And make the berths so soft and white,
I'd help the children up the steps,
"Good night!" I'd say, "Sleep tight! Wake bright!"
