SYSTEM TIME TABLES

NOTES FOR READERS:

The tables are numbered. To find train service to or from a station refer to the table numbers after that station in the alphabetical index, pages 74-81. When service between two stations appears in a through time-table, the same table number will appear in the index after each station. The maps, pages 42-45, will be found useful for locating the names of junctions if you are making a trip that requires a change of trains.

STANDARD TIME is used for all schedules in this Timetable.

Time from 12.01 am (after midnight) until 12.00 noon is shown in light face type. Time from 12.01 pm (after noon) until 12.00 midnight is shown in heavy face type.

Stops are made at a station only if a time, letter or symbol appears in the schedule column opposite it.

A letter or symbol appearing with a train time indicates a restricted stop. All letters and symbols are explained under the caption "Reference Marks" appearing at or near the table in which the sign is used.

"Equipment" refers to the various cars which make up a train. When a train includes sleeping, parlor, or dining cars, the equipment is listed close to the train's time-table, or a note at the bottom of the page indicates where the listing can be found. All trains carry coaches except where otherwise indicated.

Along 24,000 miles of railway, changes in train service may become necessary between the publication of one time-table and the appearance of the next, therefore, time-tables herein are subject to change without notice.

RENSEIGNEMENTS GÉNÉRAUX

Les horaires sont sujets à changement sans avis préalable. Les trains circuleront aux heures indiquées à l'horaire, mais le chemin de fer ne sera tenu responsable des délais ou retards incontrôlables. Le Canadien National ne répond pas de l'exactitude des horaires d'autres compagnies. Ils ne sont mentionnés que pour la commodité du public voyageur. Le chemin de fer ne peut être tenu responsable des délais, ennuis, retards encourus par défaut de correspondance avec ces compagnies.

Le préfixe "M" devant le numéro d'un train indique que ce train est mixte et qu'il transporte les voyageurs et les marchandises en quantité moindre qu'un wagon.

Les Billets seront délivrés et les **Bagages** enregistrés que pour les stations où les trains arrêtent.

L'HEURE des trains, de minuit à midi, est indiquée en caractères ordinaires (elzévir), et de midi à minuit en caractères gras (normande). Tous les horaires sont établis sur l'heure normale.

Les Enfants de 5 à 12 ans paient demi-place. Ceux de moins de 5 ans voyagent gratuitement quand accompagnés d'un parent ou d'un gardien.

Billets Perdus.—La Compagnie décline toute responsabilité pour les billets perdus. **Des passages de retour** ne sont émis par les chefs de trains qu'aux voyageurs qui montent à des gares où il n'y a pas d'agent ou bien où le bureau des billets n'est pas en devoir.

En cas de désaccord avec le conducteur d'un train au sujet de billets, privilèges, etc., le voyageur voudra bien payer le conducteur, lui demander un reçu et rapporter le cas au Service des voyageurs.

Les billets sont personnels et ne peuvent être utilisés par d'autres que les acheteurs. **Les arrêts en cours de route** sont consentis avec certaines catégories de billets. Pour renseignements, s'adresser aux agents.

Des voyages gratuits de Toronto ou Hamilton à Niagara Falls, Ont., ou Suspension Bridge ou Niagara Falls, N.Y., et retour, sont accordés avec certaines catégories de billets. S'adresser aux agents du Canadien National à la Gare de Toronto ou à la Gare de Hamilton.

Trains Climatés.—Les voitures climatées qui entrent régulièrement dans la composition des trains sont marquées d'un ★. Normalement elles circuleront sans interruption, mais en cas d'urgence ou de fort trafic on se réserve le droit d'employer des voitures non climatées.

Cas de civière.—Comme les cas de civière peuvent causer des encombrements au public voyageur, il est essentiel de faire à l'avance les arrangements nécessaires; veuillez consulter les agents.

Les objets laissés dans les trains doivent être réclamés de l'agent général des bagages le plus près.

Petits bagages.—Les voyageurs ne peuvent emporter dans les voitures qu'une quantité raisonnable de petits bagages.

Les bagages comprennent les effets d'habillement, les articles de toilette et les autres articles nécessaires au voyageur pour son confort; ces choses doivent être enfermées dans des sacs, valises, malles, etc.

Aucun bagage pesant plus de 250 livres ne sera transporté comme bagage ordinaire.

La Compagnie ne garantit pas de transporter les bagages dans le même train que les voyageurs mais se réserve le droit de les expédier par le premier train à sa convenance.

A moins d'avis contraire chaque billet d'adulte donne droit au transport gratuit de 150 livres de bagages d'une valeur n'excédant pas \$100 et chaque billet d'enfant à demi-tarif à 75 livres de bagages n'excédant pas une valeur de \$50.00. L'excédent est taxé d'après les tarifs courants.

Il est illégal de transporter dans des bagages enregistrés ou à main des matières inflammables, explosives ou autrement dangereuses.

Les malles d'échantillons des voyageurs de commerce ne sont pas enregistrées pour ou de Sunnyside, Ont.

Bagages enregistrés pour les stations d'arrêt sur signal.—Lorsqu'il n'y a pas d'agent à la station d'arrivée on doit réclamer ses bagages au fourgon avant l'arrivée.

Livraison spéciale des bagages.—Les bagages peuvent être enregistrés pour livraison à destination, au domicile, aux hôtels, aux quais d'embarcation ou autres gares de chemin de fer; les charges pour ce service peuvent être payées à l'avance ou perçues sur livraison dans les principales villes du Canada et des États-Unis.

Des frais de stationnement sont perçus sur toute pièce de bagages laissée à la consigne au-delà du temps réglementaire.

Assurances des bagages. On peut assurer les bagages aux principaux bureaux du Canadien National. La responsabilité de la compagnie en cas de perte ou vol étant limitée, cette précaution est recommandée aux voyageurs.

Les Chiens sont transportés dans le fourgon à bagages d'après le tarif en cours. Ils doivent être bien muselés et porter un collier ou un harnais ajusté et fort, ainsi qu'une chaîne ou une laisse solide, ou alors être placés dans une caisse à claire-voie. Avant de demander l'enregistrement d'un chien pour un endroit au-delà de la frontière, les voyageurs sont priés de se renseigner sur la législation à ce sujet. Les chiens spécialement entraînés pour guider les aveugles, seront transportés en conformité avec la circulaire no E. 559, W. 424, C. 143. Le transport au Canada de tous autres chiens et animaux favoris de quelque nature que ce soit, est défendu dans les voitures servant à l'accommodation des voyageurs.

Douanes.—Les voyageurs doivent dédouaner aux mêmes leurs bagages.

Les bagages enregistrés aux États-Unis pour le Canada devraient être, autant que possible, dédouanés à la frontière. Des douaniers canadiens sont stationnés dans toutes les principales villes (voir Index des stations). Les bagages à main sont dédouanés à la frontière.

Les bagages enregistrés au Canada pour les États-Unis peuvent être examinés par l'officier de douane américain à la frontière ou à:

THE CANADIAN NATIONAL GROWS WITH CANADA

The C.N.R. has been serving the nine provinces of Canada, and now that Newfoundland has joined the union, the services of the Company extend across all ten provinces from St. John's, Newfoundland, most easterly point in Canada, to Vancouver, Victoria and Prince Rupert on the Pacific. Union with Newfoundland makes Canada the greater and adds a vigorous people to our population. It adds more than 700 miles of rail lines, a telegraph network, a fleet of steamships and an important dockyard to the Canadian National System. It also brings 4,000 men and women into the C.N.R. family of more than 100,000.

Ever since its beginnings with the first railway in Canada in 1836, the Canadian National has been an essential factor in the development of our nation. The Canadian National not only grows with Canada but helps Canada to grow. Partners in a great past, now they go forward together into a greater future.
