**GRAND  
TRUNK  
RAILWAY  
SYSTEM**

**CANADIAN  
NATIONAL  
RAILWAYS**

*System Time Tables*

**Serves all 10 provinces of Canada  
and 12 states in the U.S.A.**

# SYSTEM TIME TABLES

The tables are numbered. To find train service to or from a station refer to the table numbers after that station in the alphabetical index, pages 71-79. When service between two stations appears in a through time-table, the same table number will appear in the index after each station. The maps, pages 40-43, will be found useful for locating the names of junctions if you are making a trip that requires a change of trains.

**STANDARD TIME** is used for all schedules in this time-table.

Time from 12.01 am (after midnight) until 12.00 noon is shown in light face type. Time from 12.01 pm (after noon) until 12.00 midnight is shown in heavy face type.

Stops are made at a station only if a time, letter or symbol appears in the schedule column opposite it.

A letter or symbol appearing with a train time indicates a restricted stop. All letters and symbols are explained under the caption "Reference Marks" appearing at or near the table in which the sign is used.

"Equipment" refers to the various cars which make up a train. When a train includes sleeping, parlor, or dining cars, the equipment is listed close to the train's time-table, or a note at the bottom of the page indicates where the listing can be found. Regularly assigned cars as shown in the equipment listings are Air-Conditioned unless noted NAC. All trains, except the Ocean Limited, carry coaches.

Along 24,000 miles of railway, changes in train service may become necessary between the publication of one time-table and the appearance of the next, therefore, time-tables herein are subject to change without notice.

**You need more than luck to choose the right site!**

Luck and guesswork have no place in a decision upon which the future of your enterprise depends. A good plant site is not just an attractive piece of ground capable of being served by a railway siding... it is all that, but in the proper economic environment... a location where the various factors that make for success are in proper balance—raw material sources, markets, labour, power, water supply, living conditions and other things. We have a background of experience in this important matter of industrial placement. It costs you nothing, you incur no obligation, in availing yourself of that experience.

## GENERAL INFORMATION

### Timetables Subject to Change

Times and other information shown herein are subject to change without notice. Circumstances permitting, trains, steamers and buses will operate at the times shown. In the event of their failure to do so, however, the Canadian National Railways cannot accept responsibility for delay, detention or any other condition caused thereby. Where services or times of other transportation companies are shown, it is for the convenience of the public and the Canadian National Railways does not vouch for their correctness or accept responsibility for any failure to connect with such services or vice versa, or for any delay, detention or any happening whatsoever which may occur to the service of other transportation companies.

### Time

From 12.01 a.m. (after midnight) until 12.00 noon, times are shown in light face type. From 12.01 p.m. (after noon) until 12.00 midnight, times are shown in heavy face type. All schedules in this timetable are shown in standard time.

### Equipment

Regularly assigned sleeping, dining and parlor cars and coaches are air-conditioned with the exception of those in Newfoundland and on certain secondary lines in other provinces. When necessary, non air-conditioned cars will be included in trains to which air-conditioned cars are regularly assigned.

### TICKETS

Tickets are sold only to stations where trains are scheduled to stop.

Passengers should purchase tickets at Ticket Offices as conductors may only issue round trip tickets over their run to passengers who board trains at non-agency stations or at stations where Ticket Office is not open at train time.

Conductors are not permitted to adjust fares. In the event of disagreement as to tickets, privileges allowed, etc., passengers should pay fare requested by the conductor and send his receipt to the Passenger Traffic Department for whatever adjustment may be due.

Tickets are not transferable and can be used only for the transportation of the original purchaser. The Canadian National Railways does not assume responsibility for lost tickets.

Children 12 years of age or over are required to pay full fare; children 5 years of age and under 12 pay half-fare. Children under 5 years of age travel free when accompanied by parent or guardian.

In accordance with tariff regulations, Canadian National Railways will promptly refund the value of unused or partly used tickets to original purchaser. Agents are authorized in certain instances to make immediate refunds of the value of unused tickets or of the value of the unused return coupons of round trip tickets. When a refund may not be made immediately, Agent will accept the passenger's application. Whatever adjustment may be due, after deduction of the tariff charge for the service actually performed from the amount paid, will be promptly mailed to the passenger by the regional General Passenger Agent.

The Canadian National, with its wide-spread System, offers a choice of routes which provide variety in travel. In many instances it is possible to plan a trip covering a diversity of communities and interesting scenic and historic territories. Particulars of these optional routes may be obtained from Agents.

### BAGGAGE

Passengers may take into coaches, parlor and sleeping cars only a reasonable quantity of hand-baggage and are advised to check all baggage not required enroute.

The Canadian National Railways provides a convenient baggage checking service upon which personal baggage, (150 pounds and not valued at more than \$100.00 on an adult rail ticket and 75 pounds and not valued at more than \$50.00 on a child's half-fare ticket), will be checked to agency stations where trains are scheduled to stop. Excess charges will be collected on baggage exceeding these weights per ticket. No single piece exceeding 250 pounds will be checked as baggage.

Baggage consists of wearing apparel, toilet articles and similar effects, except liquids, necessary for the comfort and convenience of the passenger on the journey. It is required to be enclosed in appropriate receptacles such as trunks, valises and so forth.

Combustible or inflammable materials in baggage is prohibited by law and must not be included therein.

Although no guarantee will be given, every effort will be made to forward baggage on the same train or steamer as the passenger; when this is not possible, it will be sent on the first convenient train or steamer.

Customs examination must be personally attended to by passengers. Hand-baggage must be inspected at the border.

Baggage checked from the United States to Canada should be examined by Canadian Customs officers at the border where it is possible or convenient to do so. Canada Customs Inspectors are located at all principal cities and towns indicated by appropriate symbol in the station index section.

Baggage checked from Canada to the United States must be examined by United States Customs Inspectors at the border, or at:

**Saint John, N.B.** From 5.00 p.m. until 8.10 p.m. daily except on Sundays, United States' and Canadian holidays.

**Prince Rupert, B.C.** Daily except Sundays and United States' holidays.

**Montreal, Que.** Daily.

**Toronto, Ont.** From mid-September to the end of June, daily except Sundays and United States' holidays. Daily during summer.

Hours of duty of United States Customs Inspectors located in Canada may be obtained from Agents.

Agents will gladly furnish further information with regard to the checking of baggage and should be consulted concerning the transportation of dogs or other pets.

### INFIRM PASSENGERS

Wheel chair facilities are available at many stations for the use of passengers requiring same. Movements of stretcher cases may be arranged. Passengers are requested to consult Agents as much in advance as possible.

## RENSEIGNEMENTS GÉNÉRAUX

### Les horaires sont sujets à changer

Les heures et autres renseignements donnés ici sont sujets à changements sans avis. Les circonstances le permettant, les trains, navires et autobus suivront les horaires indiqués; toutefois, dans le cas où ils ne pourraient le faire, le Canadian National décline toute responsabilité pour les retards, ou leurs effets. Les services et horaires d'autres compagnies de transport mentionnés ici le sont pour la commodité du public; le Canadian National ne garantit pas leur exactitude et n'accepte aucune responsabilité dans le cas de correspondance manquée, non plus pour les retards et autres contingences pouvant se produire dans les services d'autres compagnies de transport.

### Horaires

À partir de minuit et une minute jusqu' à midi, les heures figurent en caractères légers et de midi et une minute jusqu'à minuit, en caractères gras. Tous les horaires sont arrêtés d'après l'heure normale.

### Voitures et wagons

Les voitures ordinaires, wagons-lits, wagons-restaurants et wagons-salons en service régulier sont climatisés, à l'exception de ceux de Terre-Neuve et sur certaines lignes secondaires dans d'autres provinces. Au besoin, des wagons non climatisés entreront dans la composition de trains auxquels sont assignés normalement des wagons climatisés.

### BILLETS

Les billets ne sont en vente qu'aux gares et stations où les trains arrêtent régulièrement.

Les voyageurs doivent acheter leurs billets aux bureaux des billets de la Compagnie ou dans les gares, car les conducteurs ne peuvent émettre de billets aller-retour sur le parcours de leur train que lorsqu'un voyageur monte à une station sans agent ou à une station dont le guichet est fermé à l'heure du départ du train.

Les conducteurs ne sont pas autorisés à changer les taux. En cas de dispute au sujet d'un billet, d'un privilège alloué, etc., le voyageur doit payer le montant requis par le conducteur et envoyer le reçu délivré par celui-ci au service des voyageurs de la Compagnie, pour correction s'il y a lieu.

Les billets sont personnels et doivent être utilisés seulement par l'acheteur lui-même. Le Canadian National n'assume pas la responsabilité des billets perdus.

Les enfants de 12 ans et plus paient plein tarif. Ceux de 5 ans et de moins de 12 ans paient demi-tarif. Ceux de moins de 5 ans, accompagnés d'un parent ou d'un gardien, sont transportés gratuitement.

Comme le veulent les règlements, le Canadian National remboursera promptement à l'acheteur original son billet ou partie de billet non utilisé. Les agents peuvent dans certains cas rembourser immédiatement les billets non utilisés ou le coupon de retour d'un billet aller-retour. Lorsqu'ils ne peuvent le faire, ils acceptent la demande de remboursement et lorsque celui-ci est dû, déduction faite du tarif pour service déjà rendu, le montant remboursable est envoyé par la poste au voyageur, par l'agent général des voyageurs.

Grâce à son vaste réseau, le Canadian National offre un choix de routes permettant de varier les itinéraires. Souvent est-il possible d'emprunter des trajets ayant un intérêt historique ou pittoresque. Le détail de ces itinéraires facultatifs peut être obtenu des agents.

### BAGAGES

Les voyageurs ne peuvent apporter dans les voitures, wagons-lits et wagons-salons qu'une quantité raisonnable de bagage à main. Il leur est conseillé d'enregistrer le bagage dont ils n'ont pas besoin en route.

Le système commode en usage sur le Canadian National permet d'enregistrer le bagage personnel (150 livres d'une valeur de pas plus de \$100.00 sur chaque billet de chemin de fer pour adulte et de 75 livres d'une valeur de pas plus de \$50.00 sur chaque demi-billet d'enfant) pour toute station où il y a un agent et où le train arrête. Aucune pièce de plus de 250 livres peut être enregistrée comme bagage.

Le bagage consiste en linge personnel, articles de toilette et autres effets (à l'exclusion de liquides) nécessaires au confort et à la commodité du voyageur durant le trajet. Ces effets doivent être dans des malles, valises et autres contenants du genre.

Les matières combustibles ou inflammables sont défendues par la loi et ne doivent pas être incluses parmi les bagages.

Bien qu'aucune garantie ne soit donnée, le nécessaire sera fait pour que le bagage accompagne le voyageur dans le train ou le navire. Lorsque c'est impossible, le bagage est expédié à la première occasion.

Les voyageurs doivent assister eux-mêmes au dédouanement de leurs bagages. Les bagages à main sont examinés à la frontière.

Les bagages enregistrés aux États-Unis pour le Canada sont examinés par les douaniers canadiens à la frontière quand cela est possible ou commode. Les postes de douane canadiens dans les principales villes sont indiqués, par un symbole approprié, à l'index des stations.

Les bagages enregistrés au Canada pour les États-Unis sont examinés par les douanes des États-Unis à la frontière ou à:

**St.-Jean, N.-B.** De 5 h. à 8 h. 10 du soir, tous les jours, excepté le dimanche et les jours fériés au Canada et aux États-Unis.

**Prince Rupert, C.-B.** Tous les jours, excepté le dimanche et les jours fériés aux États-Unis.

**Montréal, P.Q.** Tous les jours.

**Toronto, Ont.** De la mi-septembre à la fin de juin, tous les jours, excepté le dimanche et les jours fériés aux États-Unis. Tous les jours durant l'été.

On peut obtenir des agents de la Compagnie les heures où les douaniers des États-Unis, stationnés au Canada, sont en devoir.

Les agents fourniront volontiers tout renseignement utile sur l'enregistrement des bagages et le transport des chiens ou autres animaux favoris.

### VOYAGEURS INVALIDES

Plusieurs gares sont équipées de chaises roulantes pour la commodité des voyageurs qui ont à les utiliser. Le transport de cas de civière peut être aussi arrangé. Les voyageurs sont priés de consulter les agents aussi à l'avance que possible.
