Visit Eastern Canada's seaboard this summer. Breathe the keen, tangy air of the sea. Visit the Lower St. Lawrence, with its quaint villages . . . its fisher folk and farmers. Or New Brunswick, where you have seaside golf courses, surf bathing on sandy beaches, deep-sea and inland fishing. Or Nova Scotia, the far-famed Land of Evangeline. Then, too, there is Prince Edward Island, with its garden-like farm lands, and great stretches of sandy beaches.

Accommodation in abundance—moderately priced hotels and resorts.
