#### PASSENGERS WILL KINDLY REFRAIN FROM SMOKING IN THIS ROOM.

*WHEREVER you travel on the Canadian Pacific, you will find the same desire to maintain that excellence of service for which the Company has been noted for over forty years. The seemingly effortless perfection of Canadian Pacific service is simply an infinite capacity for taking pains.*

**IT** will be a great aid to the service and will avoid any possibility of mistakes if passengers will kindly ask for meal order blanks, and upon them will write their orders, because stewards and waiters are not allowed to serve any food without a meal check.

W. A. COOPER, Manager, Sleeping, Dining, Parlor Cars,  
Station Restaurants and News Service, Montreal.

1881 .. Canadian Pacific .. 1931

SIR WILLIAM VAN HORNE had made it a policy to produce in Canada for the Canadian Pacific everything that could be made here, so the Angus Shops were built: the shops that extend over acres, in which Canadians by the thousand are employed in making locomotives, day coaches, drawing-room, parlour, dining and sleeping cars for their own Canadian Railroad. Such Canadian-made equipment has proved of the highest standard and redounds to the reputation of the country whose development has been synonymous with that of the industry itself. The seeds of enterprise have been carefully fostered, whether they be of farming or mining, of immigration or tourist trade, of world travel or the exporting of goods to foreign lands and the importing of goods from the East to Europe. The Canadian Pacific has nurtured and brought to a rich fruition these various activities.

## CANADIAN PACIFIC TODAY

*The Canadian Pacific Railway runs from the Atlantic to the Pacific Ocean. Its liners sail from Vancouver and Victoria to Japan and China, and from Montreal, Quebec and Saint John to Great Britain and the Continent. It operates winter cruises to the Mediterranean, the West Indies and Round the World, summer cruises to Norway and a winter service to Bermuda. Its chateaux and hotels represent the latest word in comfort and luxury. Its telegraph service employs 225,000 miles of wire. Its express travellers' cheques are current all over the world. Canadian Pacific offices and agents are to be found everywhere.*
