PASSENGERS WILL KINDLY REFRAIN FROM SMOKING IN THIS ROOM.

WHEREVER you travel on the Canadian Pacific, you will find the same desire to maintain that excellence of service for which the Company has been noted for over forty years. The seemingly effortless perfection of Canadian Pacific service is simply an infinite capacity for taking pains.

IT will be a great aid to the service and will avoid any possibility of mistakes if passengers will kindly ask for meal order blanks, and upon them will write their orders, because stewards and waiters are not allowed to serve any food without a meal check.

W. A. COOPER, Manager, Sleeping, Dining, Parlor Cars,
Station Restaurants and News Service, Montreal.

IN 1931, the great White Empresses of the Canadian Pacific fleet will be joined by the Empress of Britain, a veritable giantess of the sea, a floating palace with magnificent public rooms and staterooms and elaborate sports-deck. A steamship that will set entirely new standards of luxurious ocean travel, the Empress of Britain will be of 40,000 tons gross register, 24 knots speed, and is expected to make the Atlantic crossing in five days.
