EMPERESS HOTEL

VICTORIA • BRITISH COLUMBIA

in Canada's Evergreen Playground.

STANDING in five acres of lovely grounds, the Empress Hotel, one of the world's most charming hostelries, overlooks the placid waters of Victoria's Inner Harbour. Royalty has graced its suites; world travellers make it a rendezvous; neighbours from "across the line" visit it on every sort of occasion. For Victoria, British Columbia, is the heart of that year-round paradise—Canada's Evergreen Playground.

The Empress has many attractions including . . . 570 commodious guest rooms, the majority with bath; Crystal Ball Room, public and private dining rooms, Tudor Grill Room, and ample facilities for conventions. On the walls of the main dining room hang oil paintings of the wives of many of Canada's Governors-General. Among the unique features are: the Conservatory, with a fountain playing amid masses of exotic blooms; and the nearby Crystal Garden, which has glass-enclosed swimming pool and palm-bordered promenades.

Guests of the Empress Hotel are entranced by the charm of its gardens. Lawns of velvety smoothness and verdant freshness flank the rose garden, a delightful retreat where rare specimens lift their showy heads and the more prolific climbers entwine the pergolas and arbors. Stately old trees provide shady nooks wherein one may enjoy the fragrant surroundings or watch the players on the nine-hole putting green or tennis courts. On the other side of the hotel is a rock garden where Alpine and other creeping plants nestle in the shade of a lily pond which reflects the graceful fronds of the willows in its mirrored surface.

Plan to visit the Empress Hotel! A joyous welcome awaits you: whether your vacation be during the spring, summer or autumn seasons; for the Old English Yuletide Festivities over Christmas-New Year; or to enter in the Annual Winter Golf Tournament held in March for the Sir Edward Beatty Challenge Cup. The Vancouver Island Spring Festival is held at Victoria in May . . . the programme includes a flower festival and special lectures at the Empress Hotel, and the opening of many of Victoria's exclusive gardens.

The Empress is a Canadian Pacific hotel—one of the chain of fourteen hotels from the Atlantic to the Pacific owned and operated by the "World's Greatest Travel System" . . . For further information, reservations, etc., apply to the manager, or your nearest Canadian Pacific representative. The Sleeping Car Conductor will be pleased to wire ahead, without charge, to any of the Company's hotels for your hotel reservations. « « « « « « « « « « « «
