# The ROYAL YORK

TORONTO « » ONTARIO

THE ROYAL YORK, the largest hotel in the British Empire, and one of the finest in the world, is a link in the chain of fourteen Canadian Pacific hotels, stretching across Canada from the Atlantic to the Pacific. Located in the heart of downtown Toronto, the Royal York commands a magnificent view of Lake Ontario and the lake front. A subway connects it with the Union Station, where railway lines from many parts of Canada and the United States converge.

The Royal York has 1,200 modern guest rooms, each equipped with private bath, shower, phone and radio. The Venetian Room and Imperial Room serve tasty meals at moderate prices. The concert orchestra at lunch, afternoon tea and dinner, and the nightly supper dance and floor show, are among the many attractions.

The Royal York has a special appeal to business men requiring accommodation at moderate rates . . . and to vacationists who desire nearby sports and recreations and at the same time wish to enjoy the luxurious comforts of a modern hostelry in a great, metropolitan city.

For further information, reservations, etc., communicate with hotel manager or your nearest Canadian Pacific representative. The Sleeping Car Conductor will be pleased to wire ahead, without charge, to any of the Company's hotels for your hotel reservations.
