CHATEAU FRONTENAC IN FRIENDLY OLD QUEBEC

At the eastern end of Dufferin Terrace, rises the majestic Chateau Frontenac, scene of the Quebec Conference. From its coppered spires to the medieval, stone-vaulted archway, this hotel is one of the show places of the world and dominates the sky line of Quebec, the only walled city in North America.

Commanding a delightful vista of the St. Lawrence River, the Chateau Frontenac is situated on the site of the ancient Chateau St. Louis, residence of the early governors of New France. This famous hostelry, built in the style of a sixteenth century French chateau, is the centre of the social and recreational life of Old Quebec.

Plan to visit Quebec. Enjoy dining, dancing and gracious living at the Chateau, at moderate cost. Explore the quaint, historic city, shop for handicrafts and homespuns, ride in a calèche, golf at Montmorency Falls or the Royal Quebec golf courses, fish in the St. Vincent Lakes, visit Ile d'Orléans and the world-famous shrine of Ste. Anne de Beaupré.

The attractions of the Chateau Frontenac as a summer holiday resort are only equalled by its fame as the headquarters for winter sports. Ski in the protected Lac Beauport Snow Bowl nearby. The Chateau's Ski-Hawk School offers expert instruction in the Parallel Technique. Then there's curling . . . available to guests of the Chateau. Snow-shoeing, ski-joring and skating on the Hotel's outdoor rink are other popular winter pastimes in Old Quebec.

For further information, reservations, etc., communicate with hotel manager or your nearest Canadian Pacific representative. The Sleeping Car Conductor will be pleased to wire ahead, without charge, to any of the Company's hotels for your hotel reservations.
