## In the CANADIAN ROCKIES

Westward through the Canadian Rockies! Westward to the storied coastal waters of the Pacific Northwest. To Vancouver, Victoria, Seattle, Alaska. Making connections with the fast Princess liners that ply island-sheltered waters of the Straits of Georgia and Juan de Fuca and the famous Inside Passage to Alaska, crack transcontinental trains of the Canadian Pacific give you mountain scenery that is unsurpassed. Less than 24 hours from Vancouver, Banff Springs Hotel, Chateau Lake Louise, Emerald Lake Chalet and four mountain lodges call you to a mountain holiday-land.
