THE EMPRESS

Victoria, B.C.

Sevy-clad, The Empress—westernmost of 14 distinctive Canadian Pacific Hotels from sea to sea—is set in 10½ acres of lovely gardens facing the placid Inner Harbour of Victoria, island capital of British Columbia and heart of Canada's Evergreen Playground.

Comfort is the keynote of its gracious, spacious public rooms in which the leisured tempo of island life is reflected through wide picture windows. Shaded walks in the beautiful gardens surrounding the hotel, rose-covered trellises, hidden rockeries and water-gardens blend with Canadian Pacific cuisine and service to make a stay at The Empress long remembered.

Outdoors—the year round—golf, tennis, riding, boating, fishing and ever-blooming gardens call you. Warmed sea-water bathing in all weathers can be enjoyed in the Crystal Garden pool—reached through the Rose Garden. Victoria's social life centres in The Empress with such special events as the Spring Gardens Festival and Yuletide Festivities that include such legendary Old English features as Christmas Carols—The Boar's Head—great Yule Logs. The walls of the main dining room are famous for the portrait gallery of the wives of Canada's Governors-General.
