Empress of Australia

Proudly bearing a name famous in the history of the trans-Atlantic service of the Canadian Pacific, Empress of Australia is the latest White Empress to join the fleet. With her sisters in service, Empress of Scotland and Empress of France, she helps maintain the weekly service between Montreal and Liverpool.

British-built to Continental standards, Empress of Australia is 572 feet long, 71 feet broad and of 19,400 tons gross register. She has six passenger decks, noteworthy public rooms, glass-enclosed promenade decks in First Class and Tourist, spacious dining rooms and comfortable accommodation. All white, relieved by a green riband, Empress of Australia is a true representative of the White Empresses that have shown the red and white checkered house flag of the Canadian Pacific around the world.
