ADDRESS

Mother dear & Bim -
on the picture
The train is quite
different but the scenery
is unchanged since the
last time we were here.
Perfectly beautiful! We're
enjoying our trip - no
trouble but trailering
presents some interesting
problems. i.e.: Tonite we're
parked on a side road of the
Trailer Park with about 50 others
waiting our turn for a place
to "hook up" tomorrow we're
#21 at 2 P.M. Saw Lake Louise
on the way - lovely! Love -
