Empress of Canada

Every third Saturday—from Montreal and Quebec in the St. Lawrence season; from Saint John, N.B., and the following day, Halifax, during the winter months—Empress of Canada, 20,000 tons of sea-going comfort, leaves for Liverpool.

Re-designed to meet the needs and tastes of the traveller of tomorrow, Empress of Canada is notable for the spaciousness of her accommodation. Larger decks for First Class and Tourist passengers, a very high percentage of bedrooms with bath or shower and public rooms of a high order are featured.

All white, relieved by a green riband, Empress of Canada is an important link between Canada and Great Britain, a true representative of the great white Empresses that have shown the red and white checkered house-flag of the Canadian Pacific around the world.
