**Souvenir copy of this menu card in envelope, ready for mailing may be had on application to dining car steward.**

# Lake Louise

A hundred-foot stretch of warmed water, gleaming enough to be Louise's own, lying in the shadow of the Chateau's graceful walls . . . a colonnade of white arches giving a delightful pretence of enclosure, and revealing through wide interstices murals of lake and mountain and glacier . . . a tense slim form poised aloft on a swaying spring-board . . . children splashing and tumbling in the shallow end . . . glorious fun . . . sunshine . . . mountain air . . . glowing health . . . a Canadian Pacific XXth century interpretation of the "Old Swimmer Hole" at Chateau Lake Louise in the Canadian Pacific Rockies.
