Canadian Pacific

The Expression of a Nation's Character

WORLDWIDE in scope, international in activities, the Canadian Pacific is pre-eminently the expression of a progressive nation's character.

Canadian Pacific rails extend from the Atlantic to the Pacific Ocean, webbing prairies and mountains, reaching out to cities, farms, forests, ranches and mines scattered over a million square miles.

Stupendous record in steel of the daring and genius of a young people who fifty

years ago dreamed of transforming a virgin wilderness into a nation—and made their dream come true.

Canadian Pacific Steamships, on all seven seas—Canadian Pacific Telegraphs, carrying messages to world's end and back—Canadian Pacific Express, trusted bearer of goods to the farthest places, with money-orders of worldwide currency—Canadian Pacific Hotels, with guests from all the continents.

Gigantic symbol of the vision, enterprise and spirit of the people of Canada.

WHEREVER you travel on the Canadian Pacific, you will find the same desire to maintain that excellence of service for which the Company has been noted for over forty years. The seemingly effortless perfection of Canadian Pacific service is simply an infinite capacity for taking pains.

IT will be a great aid to the service and will avoid any possibility of mistakes if passengers will kindly ask for meal order blanks, and upon them will write their orders, because stewards and waiters are not allowed to serve any food without a meal check.
