WHERE DO YOU WANT TO GO ?

THE most important dollars you spend each year are travel dollars. They can result in renewed health, fresh interest in home or work, new pleasures, if spent on vacation travel. They can mean speedy, safe and comfortable travel if expended for railway transportation on your business and convention trips.

Where do you always feel the best and enjoy the most? At the seashore, in the Rockies, Alaska, or in the bright sunshine at some lake of moderate elevation? Perhaps a trans-Atlantic or trans-Pacific voyage will dispel the boredom of familiar scenes and give you a fresh interest in life. For a longer holiday and unique experiences, enjoy a Canadian Pacific cruise, operated annually around the World, to the West Indies, Norwegian Fjords and other famous places.

Where ever you wish to go, whatever you want to do, consult Canadian Pacific with its world-wide travel organization, and its rail, steamship and hotel facilities. Again, if you wish information regarding fast freight, express and telegraph services, the Canadian Pacific can also serve you. As a first step, communicate with your nearest Canadian Pacific representative. He will be glad to assist, without obligation.
