

"It's a Short Trip to California"

is what travelers say when they alight from the palatial, electric-lighted trains—the

San Francisco Overland Limited and Los Angeles Limited

the trains de luxe to the coast. The days are passed in the luxurious buffet-smoking, library and observation car—comfortable nights are assured in spacious drawing-room and private compartment sleeping cars, running over smoothest tracks.

Delicious meals expertly served in the a la carte dining cars.

Unobtrusive service anticipates every want. Only three days en route to the coast.
