POST CARD

Dear Friends,

We got your card yesterday, and were glad you are both well. We came to see you Sunday, but you were gone. My sister, Mrs. Heinke, is in the St. Joseph's Hosp. there, so we were to see her and we came to see you also. Mother also went to see you a coupla times but didn't find you home. You must go a lot. Ha! We still love Houston.

Love,
Lydia & Bob
