The North Western Limited is one of our daily trains between Chicago, St. Paul and Minneapolis, via the double track, block-signal route of The North Western. It leaves Chicago northbound, and Minneapolis and St. Paul southbound every day in the year. The train equipment is electric lighted throughout, and consists of buffet, smoking and library car, Pullman drawing-room and private compartment sleeping cars, and free reclining chair cars. The dining car service includes a splendid table d'hôte dinner served on departure from Chicago. Other meals à la carte.
