BEST WAY OF ALL TO SEE THE BEST OF THE WEST

This famous streamliner is scheduled for sightseeing, comfort and relaxation. It traverses the majestic Feather River Canyon in the High Sierra and the mighty Colorado Rockies all by daylight. You see majestic, snow-capped mountains . . . great plains . . . canyons and cliffs . . . trees and trails . . . rushing mountain streams . . . herds of deer and antelope . . . vast stretches of virgin forest. It's a great show and upstairs in the Vista-Dome you have the best seat in the house!

Upstairs in one of the five glass-enclosed Vista-Domes for Chair Car and Pullman passengers, you can look up, look down, look all around. 120 extra unsold seats!

This intimate cocktail bar beneath the Observation Car's Vista-Dome is a favorite place with Pullman passengers for before dinner cocktails and nightcaps. Lighting is subdued; service is quietly efficient.

Reserved seat chair coaches are unusually spacious, quiet and comfortable. The deep-cushioned reclining chairs have adjustable leg and foot rests and folding arm rests.
