American citizens do not require passports to enter Canada, but should present documentary evidence of citizenship or naturalization papers to permit re-entry to the United States. A birth certificate is the best form of evidence.

Non-citizen residents of the United States must have re-entry permit or resident alien border crossing card to return. Otherwise they will be required to obtain passports and visas before being re-admitted to this country.

Baggage

USE BAGGAGE SERVICE: Passengers are urged, for the convenience and comfort of themselves and others on the train, to check all of their hand baggage except that actually needed for personal use enroute.

BAGGAGE SERVICE CHARGE: A service charge of 25 cents for each piece of hand baggage and 50 cents for each trunk and articles other than hand baggage will be assessed for checking articles in baggage car service.

1) Checkable baggage consists of wearing apparel, toilet articles (except liquids) and similar personal effects for the passenger's use, comfort and convenience for the purpose of the journey. Liquids, fragile articles, etc., are not checkable baggage. Railroads will not be responsible for loss or damage to/or caused by articles not properly checkable as baggage.

2) Be sure your baggage is clearly marked to show name and permanent address.

3) Any single piece may be checked not exceeding 300 lbs. in weight or 72 inches in greatest dimension nor exceeding \$2500 in value for any single shipment. An allowance of 150 lbs. per adult ticket, subject to tariff regulations, is granted with \$100 maximum declaration (in writing on form prescribed), or extra value may be declared and paid for at low rates at the time of checking.

4) Baggage for stations where no agent is on duty (inquire on checking baggage) must be claimed at Baggage Car immediately on arrival at that station; otherwise it will be carried to first station where agent is on duty and will be held for further orders.

5) Passengers are urged to check baggage a day in advance to permit forwarding on a preceding train. Every effort will be made to facilitate delivering baggage, but no guarantee can be given that it will be forwarded on same train carrying owner, nor can time of arrival at destination to which checked be guaranteed. A short-term policy of the St. Paul Fire & Marine Insurance Company, insuring all baggage taken on a trip, whether worn, carried or checked, may be purchased at principal offices. The coverage is liberal and the rates are low. Minimum premium 25¢. Ask Ticket Agents for particulars.

6) Storage will be charged on each piece of baggage inbound or outbound checked or unchecked remaining on hand over 24 hours.

PETS accompanying passengers: Small dogs, cats or other small animals (not vicious, odoriferous or otherwise objectionable) when carried in enclosed basket or containers may be taken in railroad coaches, also in private room accommodations. Not more than two animals may be taken in any one room. The animals must be in suitable containers when taken to and from the rooms; however, dogs may be on leash and muzzled in lieu of in container. Dogs properly muzzled and provided with strong, securely fitting collar or harness on chain, or other strong leash, or enclosed in crates, will be checked in baggage service at tariff rates. The law requires any dog checked to a destination in Massachusetts from outside the state shall be accompanied by a health certificate approved by the Livestock official of the state of origin showing dog to be free from contagious diseases, and has not been exposed to rabies. No pets allowed in dining or restaurant cars.
