## And coming shortly, the 20-second Metroliner ticket purchase

You walk up to a Metroliner ticket counter. Say where and when you want to go.

In seconds you walk away with your ticket and reservation.

An ultra-modern computer system will do the job. Select a seat for you, instantaneously remove it from inventory and simultaneously print your ticket. In stations in every city Metroliners serve.

You'll be able to make a reservation on Metroliner's ticket computer up to a month in advance. And easily cancel if you need to.

Starting when? As soon as we can put in ticket consoles and hook them up. We're working very fast.
