

Tropical Enchantment

right here in your
own United States

You don't need a passport to enjoy it. It's here waiting for you on the East Coast of Florida, so easy and convenient to reach. Coconut palms with real coconuts sway overhead. There's a welcome warmth and zest to the air. Brilliant sunshine brings a new glow of health and wellbeing. Blue seas and emerald lagoons invite you to play or lounge along their palm-fringed shores. You get that complete change needed to soothe jangled nerves and restore lagging energy.

Avoid Driving Tension and Strain

Rent a Car at Destination

Grim, tiring hours at the wheel, fighting traffic hazards and congestion, are no longer necessary just to have a car available at destination. Enjoy the complete restfulness and safety of train travel on your long trips, and rent a car after you arrive for local use. It saves time, energy, and strain, may add years to your life.

At most points along the Florida East Coast, and throughout the country, a new model car can be rented reasonably by the hour, day, or week. You can even arrange in advance for this service through your local railroad Ticket Agent.

JEWELRY, CURRENCY, VALUABLE PAPERS and LIQUIDS should not be placed in baggage intended for checking. As stated in published tariffs, the railway will not assume responsibility for the loss of, or damage to such articles.

REDEMPTION OF TICKETS. Unused tickets will be redeemed under current regulations which provide for proper deductions, in case baggage has been checked or the ticket partly used.
