

The background is a dark blue night sky. In the upper left, a spiral of white stars radiates from a central point. To its right, a planet with a ring is visible. Several white stars with long, thin trails are scattered across the sky. On the right side, a white line drawing of a goat is shown in profile, facing left. At the bottom, another white line drawing of a goat is shown in profile, facing right. The entire scene is framed by a decorative orange and black border.

The Great Northern  
Railway will shortly  
make an announcement  
of extreme importance  
to ticket agents through-  
out the country. Be on  
the lookout for it!

We trust it will prove a  
pleasant surprise to our  
many friends.
