"PERFECT SERVICE"

This is what the Great Northern Railway is striving for in its dining cars.

We believe we are right when we say that the brightest spot in a train on a trans-continental trip is the well ordered dining car.

The Great Northern Railway's NEW ORIENTAL LIMITED, Glacier Park Limited, as well as other trains of the Great Northern family, carry dining cars that would be a credit to any railroad and serve meals that cannot be excelled.

Breakfast, lunch, dinner and Afternoon Tea are events that are enjoyed by all passengers who travel on Great Northern trains. First of all there is an air of quiet refinement and luxury prevailing in the well equipped dining cars. The spotless linens, the sparkling glassware, the shining silverware, the vase of seasonable flowers, all combine to make one feel very much at home.

The food which is served is the best which the markets afford. Daily—special menus are offered. Fresh fruits, vegetables, meats, fish, etc., are served in many styles. Pies, cakes, muffins, breads, etc., are baked right in the dining car as it travels along and are served to you almost direct from the oven. Every item of food which is served in Great Northern diners is selected with thoughtful care. We could go on indefinitely telling you of the many delightful and tasty dishes which are served.

If you are interested we shall be glad to send you our Dining Car Book "Unseen Service" which goes into the story of "Meals on Great Northern diners" more fully.

Just a word about "Afternoon Tea"—At four o'clock tea and cakes are served by a waiter in spotless white who is assisted by a maid. This service is absolutely free.

From the buffet refreshing drinks are served at reasonable rates.

From time to time you will hear from us on other items of Great Northern Service. If in the meantime however, you should plan to make a trip do not hesitate to call upon us and we shall be glad to go into the details of a journey via Great Northern Railway.

P.S. You might think from what we have said about Great Northern meals that the prices are high. Quite the contrary. Our slogan is—"Good meals at reasonable rates."

Through the broad and high windows of the observation car the scenic beauties of the Mississippi and Missouri, Glacier National Park, the Canyon of the Kootenai, the Columbia River and the Great Northern Cascades, are all brought to view on an overland journey on the "Oriental Limited."
