Hot Bread and Butter—Coffee, Tea or Milk

Chicken Pie is a specialty with the Great Northern Railway, and is ready to serve in the Dining Car at lunch and dinner on every train every day throughout the year. Baked Washington Apple with Cream, 25

**T**HE great and ever green State of Washington has contributed liberally of her farm and orchard products and sea foods toward the composition of Great Northern menus for the month of January.

Included in the appetizing list are milk, buttermilk, cream and golden butter from the state's prize dairy farms; fresh eggs, roasting chickens, spring chickens and turkeys from her celebrated poultry farms; superfine potatoes, spinach, carrots, turnips, beets, beans, cauliflower and cabbage from her large truck farms; big red apples from the famous Wenatchee Valley, while strawberries, raspberries, blackberries, loganberries, cherries and prunes combine to add variety to her long list of food products. From the Pacific Ocean come delicious Olympia oysters and shell oysters, hard shell crabs, halibut, salmon, sole, rock cod and clams.

The list is a long and imposing one and testifies eloquently of the state's varied food resources.

Washington is the Land of Larger Chance. Let us tell you more about the varied and many opportunities existing in this state.
