Great Northern's Great Trains

You Go Great When You Go Great Northern

Incomparable EMPIRE BUILDER

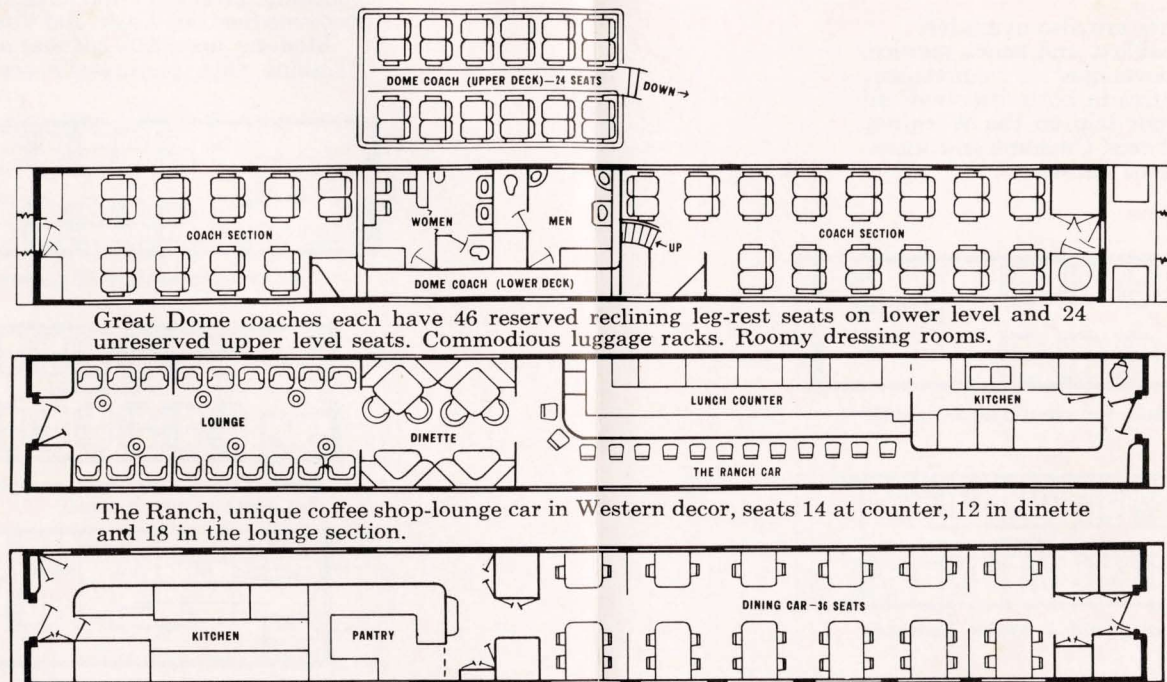

Greatest of all Great Northern's great trains, the *incomparable* Empire Builder is the ultimate in superb transcontinental rail travel.

A fleet of five identical diesel-powered, dome-studded streamliners travels daily in both directions between Chicago, St. Paul, Minneapolis, Spokane and Seattle-Portland through America's most scenic regions—Cascade Range, Columbia River, Glacier National Park in the Montana

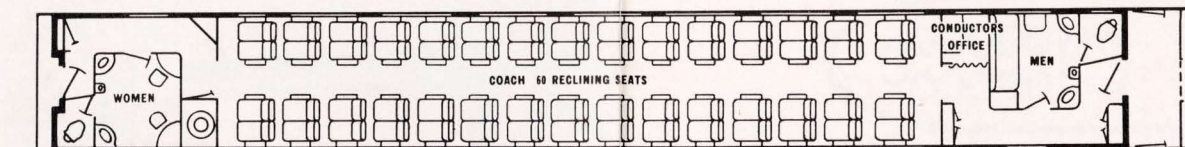

Rockies, Minnesota's lake country, the Mississippi Palisades.

In addition to the finest coach and Pullman accommodations, the beautifully appointed Empire Builder provides dome seats for all passengers for a close-up, eye-level view of scenic America.

Famed for luxury and comfort the *incomparable* Empire Builder is equally famous for its food and beverage service.

Dining car accommodates 36 at each sitting. Glass partitions at either end of dining area form a semi-private alcove. Evening dinner is by reservation.

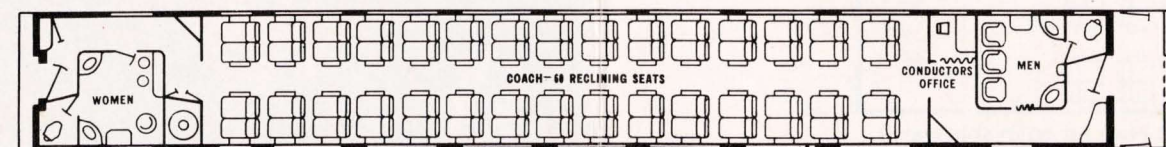

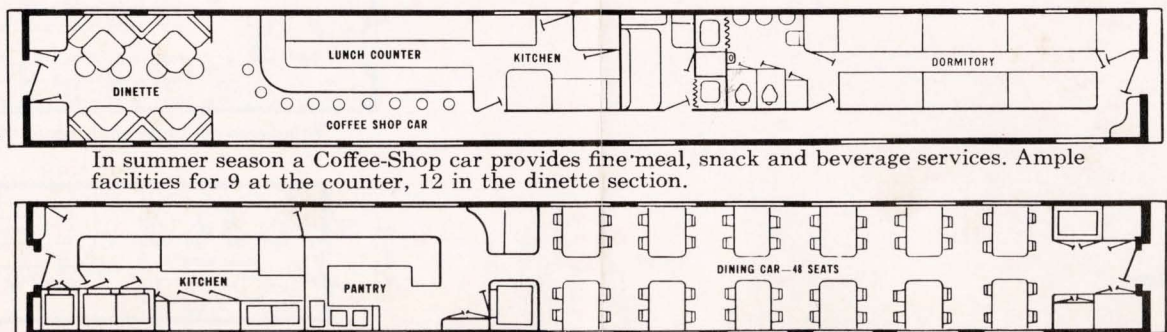

60-seat coach for passengers traveling between intermediate stations. Seats are reclining, have individual foot rests. All seats reserved.

Streamlined WESTERN STAR

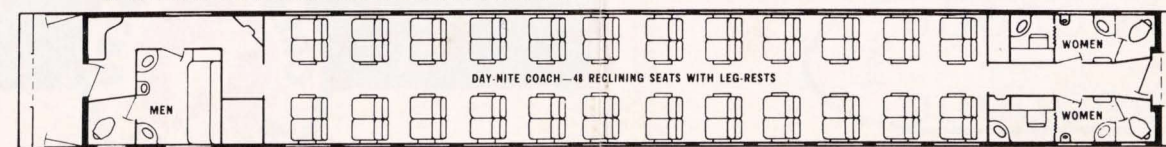

In the Empire Builder tradition of superb transcontinental service, its sister train, the swift, sleek Western Star, offers virtually the same accommodations while serving more cities on Great Northern's scenic route.

A fleet of six fast, powerful trains is in

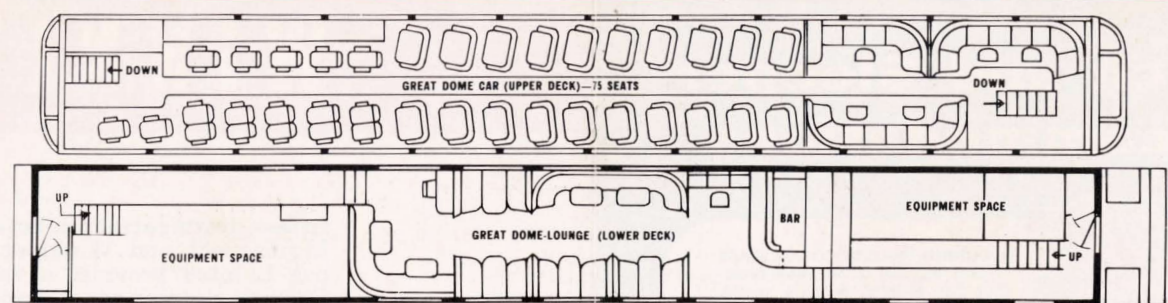

daily service between Chicago and Seattle-Portland via St. Paul, Minneapolis, St. Cloud, Fargo, Grand Forks, Havre, Great Falls, Shelby and Spokane. Fine food and beverages are also in the great tradition of Great Northern.

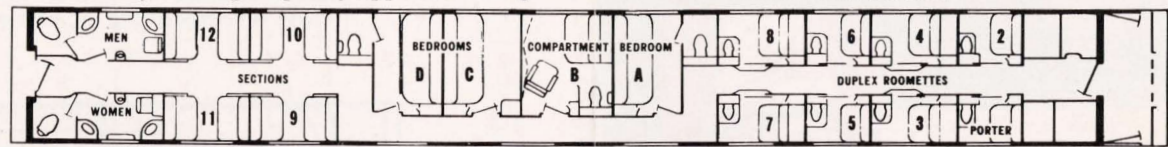

60-seat coach for passengers traveling between intermediate stations. Reclining seats with individual foot rests. Seats are not reserved.

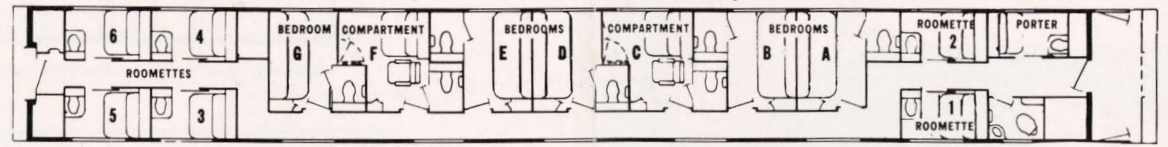

Day-Nite coaches each have 48 reclining leg-rest seats. Seats reserved during summer season.
