# SEATTLE WELCOMES YOU TO CENTURY 21

America's **Space Age** World's Fair

**Rocket through space** at the speed of light as a "Spacearium" takes you on a simulated journey to the outer planets. Browse in a home, an office and a food center—each constructed full-size—and a century ahead of time. Thrill to spectacular, block-high views of Puget Sound, Mt. Rainier, the Cascade and Olympic mountain ranges as you "dine in the sky" atop a Space Tower with revolving crown. Ride on the futuristic, high-speed Monorail. Marvel at a myriad of colorful exhibits featuring art, science, commerce, industry and cultures of foreign lands. Visit exotic bazaars, gay shops and restaurants, authentic native villages. View renowned works of painting, sculpture from the Renaissance to the Space Age . . . on magnificent display in 40,000 square foot Pavilion of Fine Arts. Watch an endless parade of international performing arts, sports and other spectator events. See exhilarating evidence of how today's most advanced thinking in architecture, design and technology will provide tomorrow's everyday living.

**This is Century 21.** This is the glittering galaxy of fun and enlightenment that awaits you in a fascinating world of "things to come". Plan now on this unprecedented vacation experience—take Great Northern's direct scenic route to Seattle, host city of the Century 21 Exposition.

**"Space needle"** (on cover) soars 600 feet above exposition site . . . affords glorious panoramic view of surrounding lakes, mountains, Puget Sound from restaurant and observation deck which revolve in complete circle each hour.
