CASCADE TUNNEL

One of the great engineering projects of all time, Great Northern Railway's Cascade Tunnel pierces the solid granite of the formidable Cascade Range between Berne and Scenic in Western Washington for a distance of 7.79 miles.

Recently completed is a huge ventilating project that enables the use of diesel locomotives in the tunnel. Installation of the ventilation system marked the end of Great Northern electrified operation in the Cascades.

FAMILY FUN AT LOW COST on Family Fare Plans

Traveling together on Great Northern trains is fun. Make your trip a family adventure you all can enjoy in carefree comfort. And at money-saving fares to boot! Here's how:

On one-way trip one parent pays full fare, the other parent and children 12-21 each go for only ½ fare. Youngsters 5-12 pay ¼ fare; under 5 go free!

On round-trip travel one parent is charged full fare . . . the other parent and children 12-21 each pay only the one-way adult fare for the round-trip! Children 5-12 travel at ½ the one-way adult fare. Under-5 small fry are free!

Your Great Northern agent will be happy to give you full details. See or call him.

Groups Travel For Less, Too!

BAGGAGE PROTECTION

Like all valuables, your luggage *should* be protected. Insurance is your best safeguard.

St. Paul Fire and Marine Insurance Company policies are available at principal Great Northern Railway ticket offices. One small premium buys peace-of-mind for your whole trip.

BAGGAGE INFORMATION

Hand Baggage which passenger desires to retain possession of is restricted to an amount which can conveniently be placed in the berth, seat or other accommodations purchased by the passenger. Passengers are urged for the convenience of themselves and other passengers to check all baggage except that actually needed for personal use enroute. Checked baggage is baggage handled in the baggage car as a convenience to the passenger, relieving the passenger of its care and handling.

Marking for Identification. Mark or tag each piece with Passenger's name and address and place similar information inside.

Definition of Checked Baggage. Baggage consisting of wearing apparel, toilet articles (except liquids) and personal effects necessary or appropriate for the wear, use, comfort and convenience of the passenger for the purpose of the journey and not intended for other persons nor for sale, may be checked in baggage service. Money, jewelry, negotiable papers, liquids, fragile or perishable articles, radios, typewriters, and household goods are examples of some articles not checkable as baggage, and railroads cannot accept responsibility.

Checking Allowance. Baggage weighing 150 pounds, and not exceeding $100.00 in value, is allowed on each adult ticket; on each half-fare ticket, 75 pounds of baggage not exceeding $50.00 in value may be checked. Family-fare-plan tickets provide for checking of 300 pounds of baggage, not exceeding $200.00 in value, regardless of number of passengers for which the ticket is issued. Excess weight charges will be made over authorized allowance. Passenger may declare greater value at time of checking and pay charges accordingly, or may purchase at principal stations an insurance policy to cover complete value of articles checked, carried, and/or worn. (Note Service Charge described below.)

Local baggage service will be performed under Form 175 check, wherein no signed Declaration of Value is necessary and baggage will be delivered via "self-service" at principal points. This procedure carries the normal baggage allowances.

No single piece of baggage exceeding 300 pounds in weight, or exceeding $2500.00 in value, will be checked.

Service Charge. At time of checking, small luggage will be checked at a charge of 25c per piece, large objects (trunks, footlockers) at 50c each. (Contact Baggage Agent for Exceptions.)

Miscellaneous. Dogs, small household pets, bicycles, baby carriages, cribs, playpens and similar articles may be checked and transported in baggage cars within the weight and value allowance subject to tariff regulations. Consult baggage or ticket agent.

Remains. Consult ticket or baggage agent.

Forwarding. Passengers are urged to check baggage in advance. Every effort will be made to facilitate the handling of baggage, but the Railway cannot guarantee to always forward baggage on the same train with the owner. Baggage should be claimed immediately upon arrival at destination to eliminate any possible assessment of storage charges.

Lost or Misplaced Articles. Contact the Manager, Mail, Baggage and Express Traffic, Great Northern Railway, St. Paul, Minnesota 55101, or District Mail, Baggage and Express Agent, Great Northern Railway, Seattle, Washington 98104, concerning any lost or misplaced baggage or other articles.

The railway assumes no responsibility for unchecked articles left in stations or passenger cars.

STANDARD TIME.—All time shown in Great Northern Railway published schedules of its lines east of Williston, North Dakota, is Central time; between Williston, North Dakota, and Troy, Montana, is Mountain time; west of Troy, Montana, is Pacific time.
