

More dome seats...more scenic miles...more real luxury...and you can go right to the gates of Glacier National Park!

Dome seats the full length of a car! Pullman passengers have a choice of 75 angled-for-viewing seats on the immense top deck of the Great Dome-Lounge car. Inspiring sights can be enjoyed along the entire Empire Builder transcontinental route.

Family fun every minute of the way. This Lounge section, on the top deck of the full-length Great Dome-Lounge car, adds exciting views to leisure-hour enjoyment for Pullman travelers. Low Family Plan Fares put an extra smile on Dad's face, too.

Two-level coach dome cars feature roomy, reclining coach seats with adjustable leg rests on lower level. Dome seats on upper level provide a grandstand view of all the scenery along the way. Dome seats are not reserved.

Beverage bar on lower deck of Dome-Lounge car serves a variety of refreshing drinks for Pullman passengers. Authentic art forms of Pacific North Coast Indians strike a cheerful note. Gay, informal atmosphere inspires a game of cards, a friendly chat, relaxation.

Enjoy a panoramic view of the majestic Rocky Mountains, as the Empire Builder courses between Chicago and the Pacific Northwest. Cross the Continental Divide at Marias Pass.

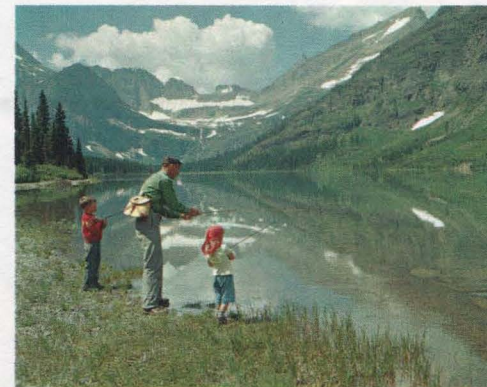

**GREAT  
NORTHERN**

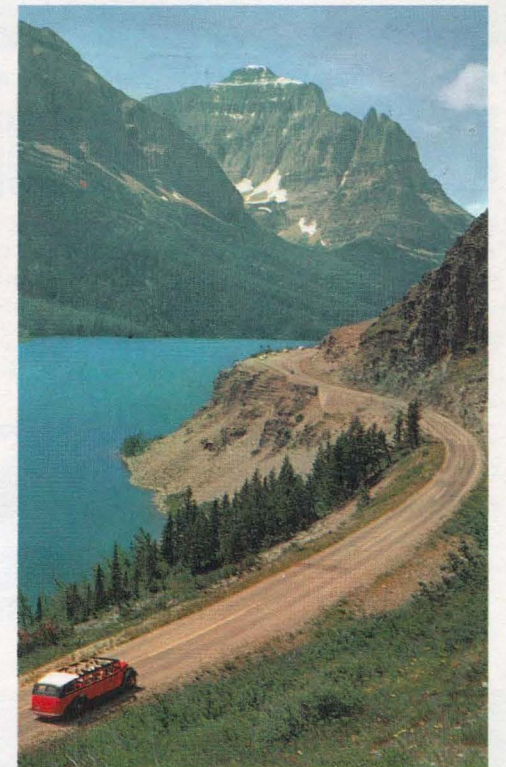

EMPIRE BUILDER stops at eastern and western entrances during the Glacier Park hotel season.

Many Glacier Hotel is in the heart of Glacier Park. Dozens of lakes are within easy hiking or horseback distance. Departure point for sightseeing motor coaches.
