

Going ahead with Saint Paul

Great Northern Railway

EVER since the first steel rails were laid from Saint Paul to the West Coast, the GREAT NORTHERN RAILWAY has been interwoven with the progress of our city. From a small beginning, the Great Northern has become one of the really great transportation systems of the country.

The Oriental Limited

this dependable railway's finest train is regarded as one of the best in the country. Thousands of persons board it in Saint Paul yearly for Glacier National Park, Spokane, Seattle, Tacoma, Vancouver, Portland and California.
