

To California Via The New Oriental Limited

"As Wonderful as the Country it Serves"

A wonderful train through a wonderful country during the finest season of the year for travel with the tang of autumn in the air and the smiling countryside a riot of gorgeous coloring.

In the beautifully decorated compartment-observation car the NEW "Oriental Limited" reaches its peak of service. Among its features are a deeply recessed observation end, higher windows, writing desk, women's lounge, shower bath for men and for women, buffet, men's club and smoking room. The car's courteous attendants include a ladies' maid, manicure, and hair dresser, and a porter.

This car also carries the latest magazines and newspapers and is supplied with telegraphic news bulletins and stock reports. Four o'clock tea is served daily without charge to standard sleeping car passengers.
