Stop-off in Glacier Park

GLACIER NATIONAL PARK, "Where the American and Canadian Rockies Merge Their Beauty," lies between the main line of the Great Northern Railway in Montana and the Canadian boundary. Canada's Waterton Lakes National Park adjoins Glacier. THE EMPIRE BUILDER stops at Glacier Park Station, eastern railway entrance, and Belton, western railway entrance, providing direct access to both parks. Park tours may begin at either entrance, and any tour may be extended by paying the moderate hotel rates for time spent beyond the limits of regular tours.
