

The background of the entire image is a solid, bright yellow color. Overlaid on this background are several dark, almost black, silhouettes of palm trees. These silhouettes are stylized, with fronds that have a jagged, brush-like texture. They are scattered across the frame, with some appearing in the upper corners and others in the lower half. A vertical crease or fold line runs down the center of the image, suggesting it might be a book cover or a double-page spread.
