Go Great...  
*on GREAT NORTHERN'S  
Greatest Train!*

## A great train ...in the tradition of a towering railroad figure— James J. Hill

For over 30 years the EMPIRE BUILDER has stood for the ultimate in rail transportation. Today's modern fleet of five Great Dome streamliners whisks across the scenic top of the nation daily . . . offers the utmost in luxurious accommodations at standard fares. The EMPIRE BUILDER continues to reflect the pioneering vigor of Great Northern's founder.

For it was James J. Hill who punched through Great Northern's transcontinental route in record time . . . he who urged adventurous pioneers to settle the resource-rich land between St. Paul and Seattle. His diligence and imagination earned him . . . and later, his railway's foremost train . . . a richly deserved title:
