Here's a glimpse into the Great Northern Winnipeg Limited's new Air-Conditioned Pullman - Lounge - Restaurant - Sleeper, combining eight berth sections, a club-observation room, serving complete meals at popular prices. The train also carries comfortable modern coaches and an Air-Conditioned Pullman Standard Sleeping Car with eight sections, two compartments and drawing room.

It's smooth going on the Winnipeg Limited . . . behind fast, powerful locomotives; over a clean, smooth roadbed.
