

## GENERAL INFORMATION TO PATRONS

The accommodations shown in this Pullman folder are typical of those in sleeping cars of so-called "lightweight" construction. However, it is not unusual for the seating, sleeping and private toilet arrangements of the various accommodations to differ noticeably. Especially is this the case as regards bedrooms and compartments, where there may be any of the following major differences in the interior arrangements:

Seats may be movable lounge chairs, or of sofa types.

Berths may be lengthwise, instead of crosswise of the car.

Toilet facilities may be within the room itself, or entirely or partly in a separate annex.

## **YOUR LOCAL TRAVEL OR TICKET AGENT WILL HELP YOU THESE FIVE WAYS:**

1. Provide information on routes, schedules, Pullman accommodations and fares.
2. Make your Pullman reservations, going and returning.
3. Furnish your rail and Pullman tickets.
4. Assist you in planning stopover and side-trips.
5. Have a "rent-a-car" reserved for you at your destination, if you wish.

**1. UPPER, 2. LOWER, 3. SECTION.** Lowest priced of all Pullman sleeping accommodations, the "UPPER" is a fresh-white, king-size bed. The "LOWER" is also a bargain in privacy and rest. When both are bought as a "SECTION," only the lower is made up at night.

These are the least expensive Pullman accommodations.

**4. ROOMETTE OR 5. DUPLEX-ROOMETTE.** A private room, normally for one person, offering travel privacy. You can work, lounge, read, as you wish. Or you can stroll to the convenient Club Lounge car at your own leisure.
