On the road to Dieselization

*70 General Motors GP9 Units Delivered to
ILLINOIS CENTRAL*

Delivery of 70 General Motors GP9 Diesel locomotive units to the Illinois Central was completed in April. Hauling meat, cotton, bananas or any other commodity, these versatile 1750-H.P.

Diesels are proving themselves the most productive motive power a railroad can own — whether for use in isolated districts or in pools with other General Motors motive power.
