GENERAL INDEX

HOW TO READ A TIME TABLE

First, locate station in index which is alphabetically arranged. The numbers opposite the station refer to the tables in which service to or from that station is shown. On the left-hand side of table read the time from top to bottom, on the right-hand side, from bottom to top. Where no time is shown, trains do not stop. All reference marks for which explanation is usually given on same page should be read carefully. Stations shown in dark type are junction points or terminals. Time shown in light numerals indicates a.m. Time shown in dark numerals indicates p. m. Unless otherwise indicated, the time at each station is the leaving time. In all Milwaukee Road schedules Central Time is used east of Moberidge and Murdo, South Dakota; Mountain Time west of Moberidge and Murdo, South Dakota; Pacific Time west of Avery, Idaho. Schedules and fares herein are subject to change without notice.

A MILWAUKEE ROAD TRADITION

Food skillfully prepared and properly served at reasonable prices has for many years been a policy of the Milwaukee Road. There is a delightful thrill to dining in pleasant surroundings while enjoying the passing landscape.

A money-saving Milwaukee Road "exclusive"

TOURALUX SLEEPERS

These cheerfully decorated, open section cars were built especially for the Olympian HIAWATHA. Space cost and rail fare are considerably less than in standard sleepers. Only The Milwaukee Road offers these intermediate fare accommodations between Chicago and the Pacific Northwest.

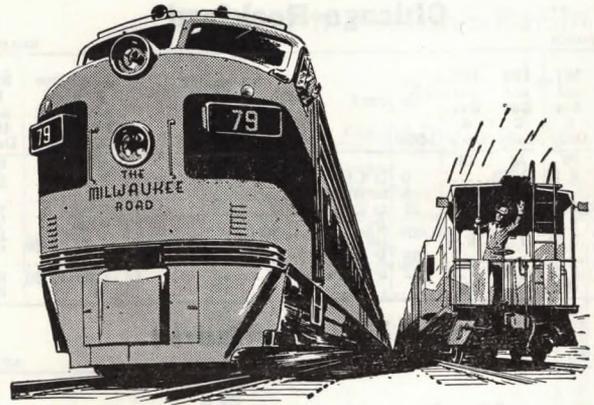

Touralux cars have roomy lower and upper berths, foam rubber mattresses, snowy linens, individual lighting and air conditioning controls. Spacious lounge-dressing rooms for men and for women.

Moving America's goods swiftly and safely

Shippers all over the country benefit from The Milwaukee Road's new kit of tools that provide better freight transportation.

Centralized traffic control enables the dispatcher to arrange train meets without delaying traffic, thus increasing safety and expediting freight.

Automatic freight yards accelerate car classification, prevent damage to freight and save car days for shippers.

Efficient diesel and electric locomotives move 100% of Milwaukee Road freight; help assure better on time performance.

If you're a shipper or receiver, ask your Milwaukee Road agent how this railroad can serve you.

GENERAL INFORMATION

Liability. This railroad will not be responsible for errors in time tables or fares, inconvenience or damage resulting from delayed trains or failure to make connections.

Buy Tickets before boarding trains.

Children under five years of age, when accompanied by parent or guardian, will be transported free of charge. Children five years of age and under twelve years of age will be charged one-half of the ticket fare for adults. Children of five and under twelve years of age who are not mature enough to take care of themselves when traveling alone can not be ticketed unless accompanied by parent or guardian. Children of twelve years of age and over will be charged the adult fare.

Adjustment of Fares. In cases of misunderstanding with Conductors or Agents, pay the fare required, take receipt and communicate with Mr. J. K. Pain, Assistant General Passenger Agent, Room 702, Union Station, Chicago 6, Illinois.

Redemption of Tickets. Applications for redemption of unused portions of tickets issued by the Chicago, Milwaukee, St. Paul and Pacific Railroad should be addressed to Mr. J. K. Pain, Assistant General Passenger Agent, Room 702, Union Station, Chicago 6, Ill. The unused portions of tickets issued by other railroads should be sent to passenger traffic manager of issuing railroad.

Through Tickets to points on other lines are sold at principal stations (see index reference +) and baggage is checked thereon to destination. Persons desiring to purchase through tickets at stations where they are not regularly on sale can procure same by giving ticket agents sufficient time to secure them.

Tickets Must Be Used Within Limit. One-way tickets will be honored within thirty days and round-trip tickets within six months from date purchased. Passengers must reach destination not later than midnight of date of expiration.

Baggage. Certain trains of this Company do not carry baggage (see numbered time tables). To facilitate prompt receipt of baggage at destination, passengers are requested to check it in advance in order that it may be forwarded on a preceding train. Baggage is not always forwarded on same train with passenger.

Baggage Maximums and Restrictions. No single piece of baggage exceeding 300 pounds in weight, or 72 inches in greatest dimension, or exceeding \$2,500 in value, will be checked. 150 pounds of ordinary baggage, as defined in baggage tariff, not exceeding \$100.00 in value will be checked free on each adult ticket, and 75 pounds not exceeding \$50.00 in value, on each half fare ticket. EXCEPT

that when in boxes constructed of wood, or heavy, or corrugated pasteboard the free value allowance will not exceed \$25.00 per passenger for any one or more of such containers. Boxes of heavy or corrugated pasteboard will be limited to gross weight of 50 pounds.

Limited Liability. Value must be declared and if value in excess of the free allowance is desired it may be declared at a charge of 20c per hundred dollars and paid for at time of checking.

Bicycles (not motorcycles), **Baby Carriages**, **Dogs and Guns** are transported in baggage cars subject to tariff regulations.

Dogs, Cats or other small animals when carried in baskets or containers may be taken into drawing rooms, compartments or bedrooms in sleeping or parlor cars. (Exception: Dogs may be on a leash and muzzled). Dogs checked on a leash for movement in baggage car must be muzzled; dogs checked in crates for movement in baggage cars need not be muzzled. Special arrangements for Seeing Eye Dogs.

Lost Articles. Don't forget your parcels—any loss should be reported immediately to General Baggage Department, 221 Union Station, Chicago 6, Illinois, or nearest agent or representative—the Railroad will not be responsible for unchecked articles.

At Chicago, all Milwaukee Road trains arrive at and depart from the Union Station, Adams & Canal Sts.

Passengers arriving at Chicago holding through tickets with Parmelee coupon are transferred by the Parmelee Transportation Company to outgoing station.

Taxi-Cab and Baggage Transfer at the Union Station, Chicago. Uniformed agents of the Parmelee Company will arrange for baggage transfer to hotels and residences, and to stations of other railroads.

Taxi-cabs are also available.

Telegraph Service. Western Union Telegraph Co. accepts telegrams, cablegrams, night letters, etc. at all telegraph offices.

Express Service. From most stations on this railroad, shipments may be sent by express over the shortest routes to any point in the United States, and Canada, served by the Railway Express Agency.

National Travelers Aid Society Representatives are at many of the larger stations to assist unprotected children and those in distress. Inquire of the station force for a National Travelers Aid Society representative.

**Double-decked
vacation on the Super Dome**

OLYMPIAN Hiawatha

The gloriously scenic route between Chicago and the Pacific Northwest is via The Milwaukee Road. And the perfect way to see it is from the upper deck of the full-length Super Dome. No extra cost.

Make the Olympian HIAWATHA your vacation train to Yellowstone Park . . . the dude ranch country of the Montana Rockies . . . Spokane's lakelands and Grand Coulee Dam . . . the Puget Sound wonderland around Seattle and Tacoma. Nearby are Mt. Rainier, the Olympic Peninsula and Victoria and Vancouver in British Columbia.

Eastbound, the Olympian HIAWATHA brings the people of the Northwest and the Twin Cities to Chicago, the gateway to eastern cities and resorts.

For free literature on Yellowstone and the Pacific Northwest, write to 796 Union Station, Chicago 6.
