GENERAL INDEX

HOW TO READ A TIME TABLE

First, locate station in index which is alphabetically arranged. The numbers opposite the station refer to the tables in which service to or from that station is shown. On the left-hand side of table read the time from top to bottom, on the right-hand side, from bottom to top. Where no time is shown, trains do not stop. All reference marks for which explanation is usually given on same page should be read carefully. Time shown in light numerals indicates a.m. Time shown in dark numerals indicates p.m. Unless otherwise indicated, the time at each station is the leaving time.

In all Milwaukee Road schedules Central Time is used east of Moberidge and Murdo, South Dakota and North Platte, Neb.; Mountain Time west of Moberidge and Murdo, South Dakota and North Platte, Neb.; Pacific Time west of Avery, Idaho and Ogden, Utah. Schedules and fares herein are subject to change without notice.

Reclining Chair Coaches for Comfort and Thrift

Whether on business or vacation trips, Milwaukee Road coaches offer a "best buy" in travel.

The easy-riding cars are quiet, air conditioned, well lighted and have ample luggage space. Individual chairs recline so that you can relax comfortably or sleep and each has an adjustable foot rest. On long distance trains, there are leg rests and seats are reserved. Spacious lounging rooms for men and for women are completely appointed.

Fares are low, averaging about 2½¢ a mile on round trips; even lower for circle tours or by taking advantage of family fares.

PROTECT YOUR BAGGAGE

MARKS—Mark or tag each piece of baggage with name and address; also place name and permanent address inside each piece, whether checked or carried on the train.

INSURANCE—An inexpensive short term policy of St. Paul Fire & Marine Insurance Company insuring all baggage, whether checked or carried, as well as personal property worn or carried on the person, may be purchased at principal Milwaukee Road offices. Ask Ticket or Baggage Agent for particulars.

Compare travel costs . . . and comfort!

RAIL vs. AIR

Round trips in Milwaukee Road coaches average 40% to 50% less than in scheduled air coaches. You see more, have no weather worries, carry almost unlimited luggage. Ask your Milwaukee Road agent or nearest office on pages 38-39.

RAIL vs. AUTO

American Automobile Association figures put cost of driving at 3.7¢ per mile for average car, not including insurance, depreciation, etc. Next time you plan a trip, we suggest getting the rail coach fare. If the family is going along, ask about Family Fares.

GENERAL INFORMATION

Liability. This railroad will not be responsible for errors in time tables or fares, inconvenience or damage resulting from delayed trains or failure to make connections.

Leg Rest Seat Coaches are assigned to the Olympian Hiawatha and the Pacific Coast Streamliners. Every effort is made to maintain this service, but operation of non-leg rest coaches may be necessary on occasions, due to emergencies or shortages.

Buy Tickets before boarding trains.

Children under five years of age, when accompanied by parent or guardian, will be transported free of charge. Children five years of age and under twelve years of age will be charged one-half of the ticket fare for adults. Children of five and under twelve years of age who are not mature enough to take care of themselves when traveling alone can not be ticketed unless accompanied by parent or guardian. Children of twelve years of age and over will be charged the adult fare.

Adjustment of Fares. In cases of misunderstanding with Conductors or Agents, pay the fare required, take receipt and communicate with Mr. J. K. Pain, Assistant General Passenger Agent, Room 702, Union Station, Chicago 6, Illinois.

Redemption of Tickets. Applications for redemption of unused portions of tickets issued by the Chicago, Milwaukee, St. Paul and Pacific Railroad should be addressed to Mr. J. K. Pain, Assistant General Passenger Agent, Room 702, Union Station, Chicago 6, Ill. The unused portions of tickets issued by other railroads should be sent to passenger traffic manager of issuing railroad.

Through Tickets to points on other lines are sold at principal stations (see index reference +) and baggage is checked thereon to destination. Persons desiring to purchase through tickets at stations where they are not regularly on sale can procure same by giving ticket agents sufficient time to secure them.

Tickets Must Be Used Within Limit. One-way tickets will be honored within thirty days and round-trip tickets within six months from date purchased. Passengers must reach destination not later than midnight of date of expiration.

Baggage. Certain trains of this Company do not carry baggage (see numbered time tables). To facilitate prompt receipt of baggage at destination, passengers are requested to check it in advance in order that it may be forwarded on a preceding train. Baggage is not always forwarded on same train with passenger.

Baggage Maximums and Restrictions. No single piece of baggage exceeding 300 pounds in weight, or 72 inches in greatest dimension, or exceeding \$2,500 in value, will be checked. 150 pounds of ordinary baggage, as defined in baggage tariff, not exceeding \$100.00 in value will be checked free on each adult ticket, and 75 pounds not exceeding \$50.00 in value, on each half fare ticket. EXCEPT that when in boxes constructed of wood, or heavy, or corrugated pasteboard the free value allowance will not exceed \$25.00 per passenger for any one or more of such containers. Boxes of heavy or corrugated pasteboard will be limited to gross weight of 50 pounds.

Service Charge. A service charge will be collected for

each piece of hand baggage and each trunk checked for forwarding. Hand baggage 25 cents each, Trunks 50 cents each.

Limited Liability. Value must be declared and if value in excess of the free allowance is desired it may be declared at a charge of 25c per hundred dollars and paid for at time of checking.

Bicycles (not motorcycles), Baby Carriages, Dogs and Guns are transported in baggage cars subject to tariff regulations.

Dogs, Cats or other small animals when carried in baskets or containers may be taken into drawing rooms, compartments or bedrooms in sleeping or parlor cars. (Exception: Dogs may be on a leash and muzzled). Dogs checked on a leash for movement in baggage car must be muzzled; dogs checked in crates for movement in baggage cars need not be muzzled. Special arrangements for Seeing Eye Dogs.

Lost Articles. Don't forget your parcels—any loss should be reported immediately to General Baggage Department, 221 Union Station, Chicago 6, Illinois, or nearest agent or representative—the Railroad will not be responsible for unchecked articles.

At Chicago, all Milwaukee Road trains arrive at and depart from the Union Station, Adams & Canal Sts.

Passengers arriving at Chicago holding tickets reading to points beyond with a "Railroad Transfer Service" coupon are transferred by that company to outgoing station without charge. Transfer of hand luggage is included in this arrangement.

Baggage Transfer at Chicago. Passengers whose tickets do NOT include a "Railroad Transfer Service" coupon should consult uniformed agents of that company who will arrange for transfer of baggage to hotels, residences and other stations at a nominal charge.

Taxi-cabs are also available.

Telegraph Service. Western Union Telegraph Co. accepts telegrams, cablegrams, night letters, etc. at all telegraph offices.

Express Service. From most stations on this railroad, shipments may be sent by express over the shortest routes to any point in the United States, and Canada, served by the Railway Express Agency.

National Travelers Aid Society Representatives are at many of the larger stations to assist unprotected children and those in distress. Inquire of the station force for a National Travelers Aid Society representative.

New Plant Sites

visualized and
documented at
your desk

If you are looking for a plant site, a representative of The Milwaukee Road's Industrial Development Department can "bring" you suitable locations through pictures and facts.

He can show you available plants and properties in clear, detailed aerial photos and by colored slides that are often more informative than an actual ground-level inspection.

He can tell you the pertinent facts about selected areas: labor pools, taxes, transportation, availability of raw materials, schools and housing—all the important elements.

Our information covers choice industrial sites in urban, suburban and small town areas. Our services are entirely free and confidential. Ask your nearest Milwaukee Road representative or write to
