Yellowstone Visitors:

I hope you enjoyed your visit to
Yellowstone Park.

I hope you had such a good time that
you will share with your friends the story and
inspiration of this marvelous vacation-land.
Undoubtedly some of them will want to see its
wonders next summer.

I will appreciate it if you will refer
interested friends to me for travel information
or for attractive booklets. I will give their
requests my personal attention.

The Northern Pacific Railway will
have very low rates to Yellowstone Park and to
the alluring resorts and cities of the North
Pacific Coast next summer

Yours, in the spirit of
Yellowstone
