Ranch Vacations

Exploring a Rocky Mountain Paradise.

IN the Rocky Mountains of Montana and Wyoming where the outdoors are world size, city dwellers are finding lots of room to discover idyllic vacation delights. There is the West's own vacation . . . Dude Ranching . . . founded on the West's own picturesque work.

The latchstring is out at scores of ranches on the plains mountains and valleys along the Northern Pacific and you can join the "outfit" of your choice, pick your own "brand."

Hospitable folks look after your comfort. A trusty horse waits to carry you over miles of western trails to forests, to trout streams, to peaks. Accommodations range from modern to primitive, as you prefer.

May we send you the descriptive album, "Dude Ranches"?
