## You'll Never Be the Same Again—

A ROCKY MOUNTAIN vacation does something to you! The change is permanent, too—you'll enjoy it for the rest of your days. City routine may rob you of your mountain appetite. The wind-and-sun tan may fade. But you'll still be a different person after a real adventure in the Rockies—different for life!

After the Dude Ranch, for instance, there will be a longing you never knew before—for jagged skylines, tumultuous streams, glorious hours of physical exertion, the everlasting presence of the mountains, snowy clouds drifting across a Western sky!

### Find out this summer what the Rockies can do for you!

In the National Forests of Montana, Idaho and Northern Wyoming are scores of mountain camps, ranches and true Western resorts where you can spend an outdoor vacation—just resting, or leading a strenuous life, as you wish.
