

WORLD-FAMOUS OLD FAITHFUL GEYSER in Yellowstone National Park erupts approximately every hour, when 10,000 gallons of boiling water are hurled to an average height of 150 feet. A small replica of Old Faithful may be seen at the NP-Q-GN exhibit at the Chicago Railroad Fair. It "plays" 40 feet.

Burlington-Northern Pacific serve the Gardiner,
Cody and Red Lodge High Road gateways to
Magic Yellowstone, America's greatest and most
spectacular National Park.
