Above:

THE ROYAL GORGE of the Arkansas River — for 70 years America's Best-Loved Travel Wonder. At the narrowest point in the gorge, the canyon walls are only 30 feet apart. The world's highest bridge spans the canyon 1,053 feet above the rushing river.

Front Cover:

MT. TIMPANOGOS (12,008 feet) dominates the majestic Wasatch range which rims Great Salt Lake Valley, Utah. Called the "Sleeping Princess" by the Indians, the peak is crowned by the southernmost glacier in America.
