

ON THE DENVER & RIO GRANDE WESTERN RAILROAD — THRU THE ROCKIES, NOT AROUND THEM

GLENWOOD CANYON OF THE COLORADO RIVER. ROYAL GORGE AND MOFFAT TUNNEL ROUTES

7A-H859

Its red walls brightened by countless evergreens, Glenwood Canon is remarkably beautiful. The Colorado River, first wide and smooth, becomes an uneasy stream, gathering power to rush and boil over jagged boulders thru the narrowing canon.

"C. T. ART-COLORTONE", REG. U. S. PAT. OFF., SOLD BY SMITH-BROOKS, DENVER
